

ONLINE PRAYER RESOURCES

Below are a number of different online prayer resources from Morning and Evening daily prayer, to prayer apps, to details about the global Thy Kingdom Come prayer initiative. All of the resources can be used to help with prayer, both individually and with others.

Daily Prayer: <https://www.churchofengland.org/prayer-and-worship/join-us-service-daily-prayer>.

Available as an app or through the Church of England Website. This gives you access to prayers throughout the day, the Daily Collect and suggested readings according to the lectionary (which is also available as an app with Services and prayers for the Church of England).

Lectio 365: <https://www.24-7prayer.com/dailydevotional> - Available for iOS and Android.

A simple app with daily prayer and meditation on the Bible. It begins with a centring prayer, a reading from the Psalms, then a Bible passage that has some thought/comment afterwards. There is an option to read through it yourself slowly, or with others, or use the audio guide, which takes approximately 10 minutes.

Prayermate: <https://www.prayermate.net/> - Available for iOS and Android.

Allows you to pull together different themes and prayer points into a virtual prayer diary, with prompts and reminders to set a daily rhythm. Also allows access to additional materials like the Church of England Collect for the Day, prayer material from mission agencies and the ability to upload PDFs – so any prayer requests that come through on your usual email address from prayer partners or church communications can also be added into your rhythm.

Contemplative at Home: <http://contemplativeathome.com/> - Reflections and guided prayer with the Bible.

A large back-catalogue of podcast recordings – approximately 20 minutes long. Each offers a time of stillness, a piece from the Bible to reflect on, some thoughts from Lissy Clarke and some guided prayer to explore what God might be saying to us through the passage.

Sacred Space: <https://www.sacredspace.ie/> (also as an app for iOS and Android).

This website contains a thought for the day, guided reflections, and a daily Bible passage. It is also home to "Pray as you Go"- an app to help maintain rhythms of daily prayer at times to suit you.

The Thy Kingdom Come website is also another great place for ideas on how to pray. The link is [Thy Kingdom Come](#)

Thy Kingdom Come is a global prayer movement which invites Christians around the world to pray for more people to come to know Jesus. What started in 2016 as an invitation from the Archbishops of Canterbury and York, to the Church of England, has grown into an international and ecumenical prayer initiative.

For further information and help about prayer you can also contact a Vicar, Minister or Pastor at your local church.
