Ways you can help and get involved with

# lightwave

# Who are we?

Lightwave is a registered Charity, part of the Church of England diocese of St Edmundsbury and Ipswich, bringing an innovative approach to what it means to be a Christian community in Suffolk.

We aim to spread the light of Jesus in practical ways throughout our county through the work of our small groups. Groups range from parent and toddlers groups, walking groups, a Bible discussion group in a pub; breakfast church; teenage sports, food making groups and much much more; all sharing the light and love of Jesus in Suffolk.

As a charity, we have started strong with a grant from the central Church of England, which has enabled us to start new groups which together already made 300+ new members. But we want to build further and wider and deeper, and see more lives changed. We would love for more Christians in Suffolk to join us in supporting our vision to see lives impacted by Christ, Christian communities and practical support across Suffolk.

The Lightwave Community CIO. A Charitable Incorporated Organisation, registered with the Charities Commission of England and Wales. Charity no. 1193242

Could you help us establish ongoing growth of new Christian communities and groups across the county? The opportunities are huge, but we need a wide range of support including mentoring and training of new group leaders, behind the scenes serving as a trustee or finding and supporting work in new areas.

## Ways to help

There are a few ways you can support the work of lightwave and the individuals who make what we do, possible.

### Pray

01

We need people who will faithfully pray for the new and growing Christian communities that are springing up across the county, in cafes, schools, villages and homes. Join our growing group of prayer partners across Suffolk and further afield. Contact [Nina.seaman@cofesuffolk.org](mailto:Nina.seaman@cofesuffolk.org) to find out how you can join our prayer list.

### Serve

02

We love hearing from people who'd like to join in with the Lightwave Vision for Christian mission and new groups in Suffolk. Would you like to give your time to help a new or existing Lightwave group? For example, we need people who can muck in and help with children's groups, get muddy in nature at Wild Church, help with a foodbank or help with administration of the governance of the charity.

### Give

03

Could you help us support the establishment and ongoing growth of new Christian communities and groups across the county? The opportunities are huge, but we need funding for a wide range of support including mentoring and training of new group leaders, behind the scenes running of an organisation (insurance, safeguarding, training, IT), and employing paid Christian pioneers to set up work in new areas. Your donations could fund a food bank, a farm pastoral visit, after school Wild Church club, breakfast church refreshments...etc.
